

N. MOHAMMAD POLYMER

N. MOHAMMAD GROUP

COMPANY *Profile*

"N Mohammad Group"- a longstanding leader in Bangladesh's industrial sector, stands as more than just an enterprise; it is a pivotal contributor to the nation's economic and social advancement. Since its founding in 1968, the company has continually excelled, reaching industry milestones by upholding stringent quality standards across its product offerings. Each item is crafted with cutting-edge technology and skilled manpower, adhering to international benchmarks.

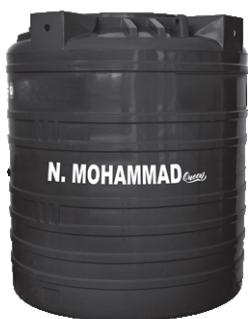

The company's extensive portfolio, which includes PVC Pipes and Fittings, Water Tanks, Bathroom Fittings, WPC and PVC Doors, Boards, Plastic Furniture and essential building materials that provides imperative support to both the construction and industrial sectors in Bangladesh. These products deliver substantial benefits across home construction, infrastructure development and industrial applications, contributing positively to the country's progress.

Beyond business accomplishments, N Mohammad Group holds a firm commitment to social responsibility. Actively engaged in initiatives across healthcare, education, and environmental conservation, the company merges a rich legacy with modern technological advancements to foster sustainable development in Bangladesh.

With a dedicated focus on the future of Bangladesh's industries, N Mohammad Group remains poised to drive forward, creating new chapters of success that reflect its enduring dedication to quality, innovation, and societal contribution.
